Everyone,

The Shore Cycle Club thanks you for participating today. Helmets are required and please obey all traffic laws.

Today we have three loops: **Loop 1 (36 miles), Loop 2 (30 miles), Loop 3 (35 miles).**

Loops 1 and 3 are marked with **HOT PINK** arrows. Loop 2 is marked with **FLUORESCENT GREEN** arrows.

**Please do Loop 1 in the morning for maximum SAG Support.**

There are **NO REST STOPS** on the loops so please load up on refreshments prior to beginning each loop. There are bathrooms on the right side of the Batsto Visitors Center as well as inside (9am – 4pm). Plus there are two Port a Potties.

Cue sheets for every option are contained in this package. Participants shouldn't need to refer to cue sheets if you follow the route arrows.

Proceeds from today's ride help the Shore Cycle Club to operate and continue providing two cycling events each year (Pinelands Triple Loop in May and Belleplain Fall Century in October). Also, over the past years the Shore Cycle Club has been able to sponsor and donate to charitable organizations putting on other cycling events. (American Cancer Society, Stockton Legacy Fund, Tuckahoe Merchants Association scholarship fund, and Gilda's Club of South Jersey).

Should you run into problems you are not able the repair, look for a SAG vehicle.

**You may also call or text 609-335-4433. Please leave a message if you call. Provide as much information as possible. We will try and call you back as soon as possible to let you know how far away SAG vehicles are from your location.**
